TEAM BACKGROUND

TISHMAN SPEYER (Lead Developer)

 Founded in 1978, currently 18 regional offices supported by over 100 property and project offices in 30 markets across the globe; acquired, repositioned, developed, and operated over \$88.1B of property across the United States, Europe, Latin America, India and China

THORON CAPITAL (CBE, Local Developer)

 Active in real estate development in Washington, D.C. for over ten years; executed over \$400M in successful development and investment transactions

STUDIOS Architecture (CBE, Architect)

International architecture and interior design firm with award-winning projects highlighted by program-driven design; over 275
employees in six global offices

DAVIS (General Contractor)

 Provides comprehensive general contracting services, including construction management, preconstruction and design-build expertise

KCE Structural Engineers (CBE, Structural Engineer)

PROJECT VISION & CONCEPT OVERVIEW

CREATE A VIBRANT, MIXED-USE COMMUNITY IN THE NOMA SUBMARKET

Rendering for Conceptual Purposes Only

DEVELOPMENT PROGRAM

- 30% affordable housing (131 affordable units; 304 market rate; 435 total)
- Maximize density with thoughtful design
- Limit parking impact
- Incorporate robust amenity program
- · Minimize District subsidy
- Add community servicing retail component
- Complement upcoming NoMa Meander with greenspace
- Leverage Tishman Speyer's robust sustainability program and continue pushing sustainability standards by targeting LEED Gold certification

2 Patterson Development Program						
Structure	High-Rise (Concrete)					
Stories	13					
Building GSF	399,950					
Zoning / FAR	D-5/9.5x					
Market Rate Units	304					
Affordable Units	131					
Retail (SF)	14,000					

DEVELOPMENT PROGRAM AND USES

ADDITIONAL PROJECT DETAIL

- · Maximize as-of-right residential density while enhancing walkability of neighborhood
- No permanent residential parking spaces, ride-sharing will be accommodated via a small surface level parking area to accommodate pick-up and drop off services
- Parking plan will minimize environmental and traffic impacts
- Streetscape design will comply with NoMa Streetscape Guidelines and the Mid City East Small Area Plan
- Add a vibrant and active public park space (~20,000 square feet)

UNIT MIX

Total	% of Units	Total RSF	# Units
Studio	15%	32,625	65
1 Bedroom	53%	148,834	229
2 Bedroom	20%	82,650	88
3 Bedroom	12%	61,841	53
Total	100%	325,950	435

- Total of 131 (30% of total units) affordable units at very low income (30% AMI) and low income (50% AMI) levels
- 33 units (25% of affordable units) reserved for renters at or below 30% AMI level
- Additional 98 units (75% of affordable units) reserved for renters at or below 50% AMI level
- 304 market rate rentals

COMMUNITY BENEFITS

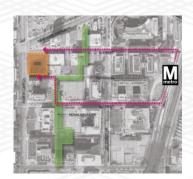

- Adds 131 Affordable Dwelling Units (ADUs) to community (30% of total units) at very low income (30% AMI) and low income (50% AMI) levels
- Establishes a signature gateway and public park amenity in the heart of the NoMa neighborhood further enhancing the walkability and connectivity of the city
- Community serving retail use
- Greenspace and retail will have communally beneficial programming
- Based on existing relationships with NoMa BID and NoMa Parks Foundation, the 2 Patterson site can be utilized for the continuation and expansion of already existing community programming at 1150 First Street, NE
- Team has engaged ANC 6C02, ANC 6C06, DDOT, NoMa BID, NoMa Parks Foundation, Wood Partners, and Covenant House

Site Diagram

ADDITIONAL COMMUNITY BENEFITS

FIRST SOURCE

- · As part of the development project, the Respondent will enter into a First Source Agreement
- Respondent Team members are experienced with compliance with D.C. First Source Agreement requirements

CBE PARTICIPATION

- Tishman Speyer and its project team are committed to subcontract at least 35% of the total development budget to Small Business Enterprises ("SBEs") and/or qualified Certified Business Enterprises ("CBEs")
- Tishman Speyer has assembled a project team that includes three CBEs Thoron Capital, STUDIOS, and KCE Structural Engineers
- Pursuant to the CBE requirements of this RFP, Thoron will be 20% of the Sponsor equity for this project

DAVIS BACON

· The development project Respondent will comply with the provisions stated in the Davis Bacon Act, if applicable

CONCLUSION

HIGHLIGHTS

- Opportunity to activate an infill site that incorporates the goals of the community
- Pedestrian friendly environment with the incorporation of a new park and neighborhood serving retail
- Affordable housing to meet the needs of projected job and population growth
- Premier architectural design for sustainable, Class A quality real estate that complements the growing NoMa submarket

WHY TISHMAN SPEYER & THORON?

- Meet and exceed DMPED and community goals
- Financial wherewithal and committed long-term funding plan
- Experience leading complex, mixed use development projects
- Maximizing community benefits
- Well rounded local project team with global expertise
